Dear Mr Bracken

NOTIFICATION OF TRANSFER OF ENVIRONMENT PROTECTION LICENCE 4860

I refer to the application to transfer Environment Protection Licence 4860, and would like to advise you that the Environment Protection Authority has approved the transfer from Bracken, Luke to Leadshine Pty. Limited. The effective date of the transfer was 1 July 2010.

As the former licensee, you must forward to the EPA an annual return covering the component of the reporting period for which you held the licence, that is, from 10 March 2010 (the anniversary date of the licence) until 30 June 2010 (the end of the reporting period prior to the transfer date). Please use the attached annual return. This annual return should be completed and returned to the EPA by 1 September 2010.

Please contact Debbie Pittard from the Regulatory and Compliance Support Unit on (02) 9995 5710 to discuss any issues relating to the transfer of the licence.

Yours sincerely
